

# Introducing the... **Safe-T-Gun™**

Pat. Pend.

**D**iamondhead's revolutionary Safe-T-Gun™ is the perfect solution when an exact replication of a typical AR-15 is needed for: training purposes, trade-shows, product demonstrations, TSA clearance, safety instruction, or other situations where use of the "real" weapon may be unsuitable or unsafe

**Safe-T-Gun™** - Lower Receiver with Buttstock, Grip & Magazine

**Safe-T-Gun™** - Upper & Lower Receiver & Safe-T-Bolt™ - shown with optional Diamondhead VRS-T (10.5") Handguard and Polymer Diamond Flip-Up Sights

**Safe-T-Gun™** - Upper Receiver with Barrel - shown with optional Diamondhead VRS-T (10.5") Handguard & Polymer Diamond Sights

## FEATURES
