SLING DING

DESIGN ATTRIBUTES:

Designed by 22 year United States Army Special Operations veteran, Patrick McNamara, the TYR Tactical Sling Ding is an essential piece of kit every operator requires.

FEATURES:

- *Affords more positions for your hand than a standard vertical fore grip.*
- *Assists in elevating the weapons muzzle off the shooting platform.*
- *Facilitates a smaller profile when shooting around corners or barricades.*
- *Attaches to any rail system that accepts a push button quick release sling swivel.*
- *Mil Spec Sling Swivel*
- *Heavy duty Schedule 80 PVC*
- *Can be painted or textured by the end user to match any desired camo pattern*
- *Attaches between the weapon and any 1.25" or narrower sling.*
