

MEGINGJARDER

Megingjarder

Constructed to function as a fully modular battle belt.

Separated platforms enable to attach modular pouches as desired.

Fits any belt width while the belt can be easily pushed-in under the modular platforms.

Slots enable to weave the belt to the outside and attach a pistol holster.

A covert slot enables the user to replace the integrated foam insert and add a ballistic insert.
Comes as a belt pad, inner belt has to be bought separately.

available colors:

Coyote Brown, Ranger Drab, 5-Farb Flecktarn, MultiCam, Black

available sizes: *S,M,L,XL*

MEHINGJARDER MALLE MINUS

MEHINGJARDER MALLE MINUS

EINHERJER

The EINHERJER Plate Carrier.

Don on and Don off within seconds, featuring patented HALO² as well as COBRA® Buckles. Lightweight construction by the use of softshell stretch fabric and antimicrobial and breathable mesh lining. Separate pockets for adaptable foam inserts keep the body cool and comfortable even after hours worn.

Admin and Frontpouch enable to store 3 x G36 PMAG or similar magazines as well as 3 x Pistol magazines. Fully upgradable with soft and hard armor (separate cummerbund, front and back pockets). Fits SAPI plates up to size Large.

available colors:
Coyote Brown, Ranger Green, 5-Farb Flecktarn, MultiCam, Black (optional)

MITHRIL Molle Minus

The MITHRIL Molle Minus Plate Carrier.

Mithril the legendary metal of the dwarfs, stronger than steel but light as a feather. Mainly designed for covert wear the carrier has a weight of only 600 gram while remaining fully modular and enable the user to attach several modular pouches while worn overt. Don on and Don off within seconds, featuring HALO² Buckles.

Made of lasercut ULTRAcomp fabric (high performance laminate) which far exceeds the military standard air textured nylon in tear and abrasion resistance. Separate pockets for adaptable foam inserts keep the body cool and comfortable even after hours worn. Fits SAPI plates up to size Medium.

available colors:
Coyote Brown, Olive Drab, MultiCam, Black

MEGINGJARDER Molle Minus

Megingjarder Molle Minus

The Blue Force Gear Molle Minus lasercut technology guarantees for full modularity while keeping a minimalist design. The lasercut ULTRAcomp fabric (high performance laminate) far exceeds the military standard air textured nylon in tear and abrasion resistance. Fits any belt width while the belt can be easily pushed-in under

the modular platforms. Lasercut slots enable to weave the belt to the outside and attach a pistol holster. A covert slot enables the user to replace the integrated foam insert and add a ballistic insert.

available colors:
Coyote Brown, Olive Drab, MultiCam, Black

available sizes: S,M,L,XL
