

ATI Wind Wrap

(Patent Pending)

Created to fit the Kestrel 4500 & 5700 Weather Meter

“A shot is rarely taken from the prone.”

Produced by Shadow Tech, LLC

The ATI Wind Wrap allows the user to mount their Kestrel wind meter to any rifle sling, MALICE Clip, or tripod/bipod leg.

Features:

- **American Made, Berry Compliant**
- **Mounts to any rifle sling 1"- 1.5" wide, or MALICE Clip**
- **Mounts to any tripod/bipod leg or tubular surface up to 3" diameter**
- **Maintains full operation & function of the wind meter**
- **Prevents the loss of wind meter while in the field**
- **Protects sensor holes from being obstructed by mud & debris**
- **Utilizes soft contact points to prevent internal electronic damage due to rifle recoil. (Kestrel Approved Product)**
